

**\*\*Apna School, Mohal\*\***

**\*\*Class – 2 | Summer Vacation Holiday Homework\*\***

**\*\*Subject – Computer/IT\*\***

Dear Students,

As we take a break to enjoy our summer holidays, let's also make sure we stay connected with our learning in a fun and creative way! Please complete the following homework during the vacation.

---

### 📖 **\*\*Reading and Writing Task\*\***

Read **\*\*Chapter 1: Introduction to Computer\*\*** carefully from your computer book. Focus on the following sub-topics:

- **\*\*What is a Computer?\***

Understand how a computer is a smart machine that helps us do many tasks quickly and correctly.

- **\*\*Types of Computers\*\***

Learn about the different types of computers like desktops, laptops, tablets, and smartphones.

Also, read **\*\*Chapter 2: Uses of Computer\*\*** and pay attention to these sub-topics:

- **\*\*Where Computers are Used\*\*:**

Learn how computers are helpful at **\*\*home\*\***, in **\*\*schools\*\***, **\*\*shops\*\***, **\*\*hospitals\*\***, **\*\*space research\*\***, and **\*\*defence\*\***.

 After reading, **\*\*learn and write all the question answer again in your notebook\*\*** neatly. Try to write it in cursive handwriting to help you understand better.

---

### ### **\*\*Creative Activity\*\***

**\*\*Make a model or chart\*\*** showing:

1. **\*\*Types of Computers\*\*** – Draw or Make model of desktop, laptop, tablet, etc.
2. **\*\*Parts of a Computer\*\*** – Include pictures or drawings of the monitor, keyboard, CPU, mouse, etc.

Use chart paper or recycled materials at home. Be as creative as you can! This activity will help you remember how computers work and what they look like.

---

###  Note:

If you face any difficulty or have doubts while doing your homework, **\*\*feel free to reach out to me.\*\*** I will be happy to help you.

Enjoy your holidays, stay safe, and have fun learning!

Warm regards,

**\*\*Tufan Chakraborty\*\***
